Our NHS POD has dedicated call handlers, trained to take requests for repeat prescriptions.

Walsall surgeries where the POD service is available:

- Forrester Street Medical Practice
- Pleck Health Centre

The NHS POD will be rolled out to other Walsall surgeries in the coming months.

Tel 01922 211279

Please note, requests will not be taken for acute medications or urgent prescriptions.

Telephone lines are open between 10.00am and 2pm Monday to Friday (excluding weekends and bank holidays)

Patients are advised to:

- Please check your medication cupboard before ordering
- We ask patients to order their prescription when they have 7 days of medication left
- If you have a build-up of medication please let us know so that we can adjust the quantities so that everything is used
- Please do not order 'just in case'. If you need medication in the future then you will still be able to request it
- Let us know if you have stopped taking any of your medication.

Please [click here to view the POD leaflet](#) for more details about the service.
